BA HONOURS

Graphic Design & Illustration

dmillerdesign.online

With almost 20 years experience in print and digital design.

I am passionate about clever concepts and beautiful details.

I am confident organising multiple projects, editorial design, brand design, photo and video shoots. I also have strong digital design skills with focus on micro-sites, data-visualisation and animated infographics.

I enjoy the creative process from sketches, layout, animation and UX to presenting ideas.

I hope to flourish in a diverse and professional atmosphere.
