BA HONOURS

Graphic Design & Illustration

dmillerdesign.online

With almost 20 years experience in print and digital design. I am passionate about clever design concepts and beautiful details. I am confident organising multiple projects, editorial design, and photo shoots. I have also developed digital design skills with focus on micro-sites and animated infographics. I enjoy the creative process from sketches, layout, animation and UX to the finishing touches. I hope to flourish in a diverse and professional atmosphere.
